Noble (ain't joshin')  
Surfer (ain't joshin')  
He's the number one man (he's movin')  
The surfers call him "Noble"  
And that's just what he is  
He's dedicated to the mighty sea  
Surfin' night and day  
Never twice in one spot  
He's somethin' you and I would like to be  
Noble (ain't joshin')  
Surfer (ain't joshin')  
He's the number one man (he's movin')  
Noble (he's movin')  
Noble (ain't joshin')  
Surfer (ain't joshin')  
He's the number one man (he's movin')  
He's not afraid of body whop  
From ten feet or more  
He never backs away from a swell  
Hurachis on his feet  
Bushy hair on his head  
And where he's going he'd never tell

A surfin' Cassanova  
With his customized board  
A Woody and his dirty white jeans  
He takes his choice of honeys  
Up and down the coast  
The finest surfer yet to make the scene
