

# The Beach Boys, Pitter Patter

It looks like rain and it's been comin' on for hours  
It looks like rain I hear the rumble of thunder showers  
Pretty soon the rain will play its sweet refrain  
While we listen from inside  
And until it stops, we'll hear the drips and drops  
From beside the fireside  
So let it rain (pitter patter, pitter patter of the rain) (goin' drip  
drip drip drop)  
Yeah and we'll be happy when it stops (pitter patter, pitter patter of  
the rain) (goin' drip drip drip drop)  
'Cause when it rains (pitter patter, pitter patter of the rain) (goin'  
drip drip drip drop)  
The ways of love rise in my heart (pitter patter, pitter patter of the  
rain) (goin' drip drip drip drop)  
We won't be sad when there is a storm (ooooo)  
And we can be glad (ooooo)  
'Cause we can keep warm, yeah, yeah  
Listen to the rain  
Pitter patter, pitter patter of the rain (goin' drip drip drip drop)  
Pitter patter, pitter patter, pitter patter (goin' drip drip drip drop)  
Pitter patter oooo  
A rain swept plain  
Soon after springtime rains blow over  
Will sprout new grain  
And miles of fresh green fields of clover  
Winter and its cold soon will lose its hold  
With the changes spring will bring  
Sun comes pourin' down warmin' up the ground  
Bringin' new life with the spring  
So let it rain (pitter patter, pitter patter of the rain) (goin' drip  
drip drip drop)  
Yeah and we'll be happy when it stops (pitter patter, pitter patter of  
the rain) (goin' drip drip drip drop)  
'Cause when it rains (pitter patter, pitter patter of the rain) (goin'  
drip drip drip drop)  
The ways of love rise in my heart (pitter patter, pitter patter of the  
rain) (goin' drip drip drip drop)  
And like the risin' tides love is growin' stronger (ooooo)  
Let's ride out the storm just a little bit longer yeah (ooooo)  
Listen to the rain  
Pitter patter, pitter patter of the rain (goin' drip drip drip drop)  
Pitter patter, pitter patter, pitter patter (goin' drip drip drip drop)  
Pitter patter oooo  
Listen to the rain  
Pitter patter, pitter patter of the rain (goin' drip drip drip drop)  
Pitter patter, pitter patter, pitter patter (goin' drip drip drip drop)  
Pitter patter oooo  
Listen to the rain  
Pitter patter, pitter patter of the rain (goin' drip drip drip drop)  
Pitter patter, pitter patter, pitter patter (goin' drip drip drip drop)  
Pitter patter oooo  
Listen to the rain  
Pitter patter, pitter patter of the rain (goin' drip drip drip drop)  
Pitter patter, pitter patter, pitter patter (goin' drip drip drip drop)  
Pitter patter oooo  
Listen to the rain yeah  
Pitter patter, pitter patter of the rain (goin' drip drip drip drop)  
Pitter patter, pitter patter, pitter patter (goin' drip drip drip drop)  
Pitter patter oooo
