

The Beach Boys, Slow Summer Dancin' (One Summer Night)

I'll set the stage while she's still dancing
I'll make the music soft and slow
Then I'll turn down the lights
Make things just right
For every slow song that we know
Over and over again
One summer night
(Do do do)
We fell in love
One summer night
I held you tight
(One summer, one summer)
You and I
(One summer, one summer)
Under the moon for love
(Ooo one summer, one summer)
We'll spin around this room together
I'll treat my angel really nice
We'll fall in love, we'll fall forever
Thank God for lazy summer nights
Over and over again
One summer night
(Do do do)
(One summer, one summer)
I kissed your lips
(One summer, one summer)
One summer night
(One summer, one summer)
I held you close
(One summer, one summer)
You and I
(One summer, one summer)
Under the moon of love
(Ooo one summer, one summer)
(One summer, one summer)
One summer night
(One summer, one summer)
(One summer, one summer)
(One summer, one summer)
(One summer, one summer)
(One summer, one summer)
(One summer, one summer)
One summer night
(One summer, one summer)
Under the moon of love
(Ooo one summer, one summer)
Under the moon of love
(Ooo one summer, one summer)
Under the moon of
Love
