

# The Beach Boys, There's No Other (Like My Baby)

There's a story  
I want you to know  
About my baby  
And how I love her so  
Oh ohhhh, there's no other  
Like my baby, oh no no no  
Oh, there's no other  
Don't mean maybe, oh no no no  
Walkin' down the street  
In a crowd  
Lookin' at my baby  
Feelin' so proud  
Woah, there's no other  
Like my baby, oh no no no  
Woah, there's no other  
Don't mean maybe, oh no no no  
While I was dancing  
My baby by my side  
Whispered to her  
Someday she'll be my bride  
Woah, there's no other  
Like my baby, oh no no no  
Oh no  
There's no other  
Don't mean maybe, oh no no no

Don't mean maybe, oh no no no
