

The Beach Boys, Wind Chimes (in Album Smile S

Hangin' down from my window
Those are my wind chimes
Wind chimes
Wind chimes
In the late afternoon you're
Hung up on wind chimes
Wind chimes
Wind chimes
Though it's hard I try
Not to look at my wind chimes
Wind chimes
Wind chimes
Now and then a tear rolls on my cheek
On a warm breeze the little bells
Tinklin' wind chimes
Wind chimes
Wind chimes
Close your eyes and lean back
Listen to wind chimes
Wind chimes
Wind chimes
It's so peaceful
Close to a lullabye
The wind chimes tinglin'
Tinglin'
Tinglin'
Tinglin'
The wind chimes tinglin'
Tinglin'
Tinglin'
Tinglin'
Da do do da do do da do do da do do
Whisperin' winds send my wind chimes a tinklin'
Whisperin' winds send my wind chimes a tinklin'
Whisperin' winds send my wind chimes a tinklin'
Whisperin' winds send my wind chimes a tinklin'
