

The Beach Boys, Your Summer Dream

You're kinda small
And you're such a doll
I'm glad you're mine
You're so good to me
How come you are
You take my hand
And you understand
When I get in a bad mood
You're so good to me
And I love it, love it
You're my baby
Oh yeah
Don't mean maybe
Oh yeah
I know your eyes
Are not on the guys
When we're apart
You're so true to me
How come you are
And every night
You hold me so tight
When I kiss you goodbye
You're so good to me
And I love it, love it
You're my baby
Oh yeah
Don't mean maybe
Oh yeah
You're my baby
Oh yeah
Don't mean maybe
Oh yeah
You're my baby
Oh yeah
Don't mean maybe
Oh yeah
You're my baby
