

The Bear Quartet, The Plain No

went to congratulate
my dear friend
and then you came
didn't know what to say
every thought was DOA

can't come back into my life,
no, you can't
it took me years to switch off
all the parts that you've touched

all the red, all the black
puny ants they oh so small
sun is gone, suits still on
what's the worth of the worst

in my head
in my head
it's all in my head
and my heart
it is also in my heart
let me go
and my heart
it is also in my heart
let me go
