

The Bear Quartet, The Repairing Of The Red Sea

I'm into anti-christ
if your church is entirely right
if your way is the only way
I am happy to be led astray

I'm into anti-christ
if your church is entirely right
if your way is the only way
I am happy to be led astray

I'm into anti-christ
if your church is entirely right
if your way is the only way
I am happy to be led astray

I'm into anti-christ
