

The Beastie Boys, Slow And Low

(chorus) Let it flow - let yourself go
Slow and low - that is the tempo

It's never old school - all brand new
So everybody catch - the bugaloo flu
Not like a fever - not like a cold
The beats are clear - the rhymes are bold
So don't see a doctor or see a nurse
Just listen to the music - first things first
First of all - get off the wall
It's time to party so have a ball
Because we slowed it on down - so get the hell up
Like a volcano I'll erupt
We got determination - bass and highs
White Castle fries only come in one size
What you see is what you get
And you ain't seen - nothing yet

(repeat chorus)

I do not sing - but I make a Def song
You could live your whole life - and I hope you live long
On the Gong Show we won't get gonged
We're the Beastie Boys - not Cheech and Chong
Strong as an ox - fresh out the box
The crowd is so live - they're coming in flocks
And when we go on - the crowd goes off
It's all hard rock - there's nothing soft

(repeat chorus)

We don't only rock the house but we'll house we rock
We don't stroll but we roll straight to the top
M.C.A., Adrock, Mike D. makes three
And we can do it like this in the place to be
When I'm recorded - you'll be rewarded
I know my song is Def 'cause you all applauded
Not P.C.P. or L.S.D. - just me Mike D. in the place to be
This is not free - you must pay a fee
Cash on delivery like a C.O.D.

(repeat chorus)

The beat is slow in order to dance
I wanna hear I dos and no I can't
First you move your legs - and then your arms
It's not fast and nervous - this dance is calm
It's truly stable and you ought to be able
To dance to the record when it's on the turntable

(repeat chorus)
