

# The Beastie Boys, Time For Livin'

Yeah, that's right  
It's time to set the record straight

Ain't nobody got to spell it for me  
Ain't nobody got to yell I can see  
Ain't nobody got the pain I can hear  
But if I have to I'll yell in your ear

Time for living  
Time for giving (x4)

Check this out

Ain't nobody to to spell it for me  
I said ain't nobody got to yell I can see  
I said ain't nobody got the pain I can hear  
But if I have to I'll yell in your ear

Soul fire  
Soul fire  
And we ain't got no water  
We don't have no water

Time for living time for giving  
No time for making up a monster to sell  
Time for living time for giving  
No time for breakin' out a lie to sell
