

# The Beatles, Don't Bother Me

Since she's been gone  
I want no one  
To talk to me  
It's not the same  
But I'm to blame  
It's plain to see

So go away and leave me alone  
Don't bother me

I can't believe  
That she would leave  
Me on my own  
It's just not right  
Where every night  
I'm all alone

I've got no time for you right now  
Don't bother me

I know I'll never be the same  
If I don't get her back again  
Because I know she'll always be  
The only girl for me

But till she's here  
Please don't come near  
Just stay away  
I'll let you know  
When she's come home  
Till that the day

Don't come around leave me alone  
Don't bother me

I've got no time for you right now  
Don't bother me

I know I'll never be the same  
If I don't get her back again  
Because I know she'll always be  
The only girl for me

But till she's here  
Please don't come near  
Just stay away  
I'll let you know  
When she's come home  
Till that the day

Don't come around leave me alone  
Don't bother me
