The Beatles, Old Brown Shoe

Want a love that's right
Right is only half of what's wrong
I want a short-haired girl
who sometimes wears it twice as long
Now I'm stepping out this old brown shoe
Baby I'm in love with you
I'm so glad you came here
It won't be the same now, I'm telling you

Pick me up from where some try to drag me down And when I see your smile replacing every thoughtless frown So escaping from this zoo Baby I'm in love with you I'm so glad you came here it won't be the same now when I'm with you

If I grow up I'll be a singer wearing rings on every finger Not worrying what they or you'll say I'll live and love and maybe some day who knows baby, you may comfort me, heh

I may appear to be imperfect my love is something you can't reject I'm changing faster that the weather If you and me should get together Who knows baby, you may comfort me

I know my love is yours to miss that love is something I'd hate I'll make an early start I'm making sure that I'm not late For you sweet top lip I'm in the queue Baby I'm in love with you I'm so glad you came here it won't be the same now when I'm with you

I'm so glad you came here it won't be the same now when I'm with you Yeah, yeah, yeah
Tu la, tu ru tu
