

# The Beatles, Take out Some Insurance on Me Baby

If you leave me, baby  
I don't know what I'll do  
I guess I would die, sweetheart  
If I don't get a kiss from you  
Take out some insurance on me, baby  
Take out some insurance on me, baby  
Well, if you ever, ever say goodbye  
I'm gonna go right home and die  
Oh, if you want me, baby  
You've gotta come to me  
Mm, I'm just like a stump in a field  
You just can't move me  
Take out some insurance on me, baby  
Ooh, some insurance on me, baby  
Well, if you ever, ever say goodbye  
I'm gonna go right home and die  
Well, if you want me, baby  
Mm, you've gotta come to me  
I'm just like a stump in a field  
You just can't move me  
Take out some insurance on me, baby  
Mm, some insurance on me, baby  
Well, if you ever, ever say goodbye  
I'm gonna go right home and die  
Well, if you leave me, baby  
I don't know what I'll do  
I guess I would die, sweetheart  
If I don't get a kiss from you  
Take out some insurance on me, baby  
Mm, some God damned insurance on me, baby  
If you ever, ever say goodbye  
I'm gonna go right home and die
