## The Beatles, Within You Without You

We were talking About the space between us all And people who hide themselves Behind a wall of illusion Never glimpse the truth Then it's far too late When they pass away

We were talking About the love we all could share When we find it To try our best to hold it there With our love, with our love We could save the world If they only knew

Try to realize it's all within yourself No one else can make you change And to see you're really only very small And life flows on within you and without you

We were talking About the love that's gone so cold And the people who gain the world And lose their soul They don't know, they can't see Are you one of them

When you've seen beyond yourself
Then you may find
Peace of mind is waiting there
And the time will come
When you see we're all one
And life flows on within you and without you
