

# The Beatles, Within You Without You/Tomorrow Never Knows

Turn off your mind, relax and float down stream  
It is not dying, it is not dying

We were talking about the space between us all  
And the people who hide themselves behind a wall of illusion  
Never glimpse the truth, then it's far too late, when they pass away  
We were talking about the love we all could share  
When we find it, to try our best to hold it there with our love  
With our love, we could save the world, if they only knew

Try to realise it's all within yourself  
No one else can make you change  
And to see you're really only very small  
And life flows on within you and without you
