

The Benjamin Gate, Lay It Down

Heads up a ring around the sun
It burdens me you know it weighs a ton, yeah
Makes me want to run
Tears running rings around my eyes
You can see I'm not the only one
Weighed down by a ton

Lay it down, lay it down
Lay it down, lay it down
At His feet, lay your burden down

Stand back the fire destroys the sky
No longer need to be on the run from the sun
Hold on to what He's done
Hands up tear the tie that binds
God break the masks that make me blind
Lay down all I find

Lay it down, lay it down
Lay it down, lay it down
At His feet, lay your burden down

I am heavy I am breathless
I am drenched with tears
But I am surrounded by Your fire...
