

# The Benjamin Gate, Secret

A dream grows  
Can You kiss it with You lips  
A life flows  
Can You kiss it with Your lips

(Chorus:)  
Oh, hold me and heal me  
Keep my heart in Your hands  
Oh, hold me and heal me  
Keep my heart in Your hands

My heart fades  
Can You kiss me with Your lips  
My life shades  
Can You kiss me with Your lips

(Chorus)
