The Benjamin Gate, To Get Thru

whip me around
fly me over acres of ground
did I see you stand?
did I see you fall?
whip me around
fly me over acres of ground

rip me in two
lay myself in front of you
did I see you stand?
did I see you fall?
rip me in two
lay myself in front of you

hope I'm getting thru
hope I'm getting thru to you
hope I'm getting thru
hope I'm getting thru to you
you know I hope...
