

The Benjamin Gate, True

Do you hear these words if I whisper?
Do you hear these words if I shout?
If perfect love drove out fear
Would you turn away in doubt?

Things come and things go

Do you know that I love you?
Is it true can I love you?

Do you feel the pain when it cuts you up?
Do you see the light when blind?
I still feel love inside your heart
Tho lies be in your mind

Is this what it's all about?

Take my hand
I'm not letting go
Till I see your joy and the life flow
