

The Beta Band, Alleged

Oh Ma there's a hole in my head
Used the bullets that come with the gun you gave me
Shine a light into my head,
see the place where we were gonna live
Before you ran off with your spaceman
left me here without a place for us

Oh Ma there's a hole in my head
Used the bullets that come with the gun you gave me

Used to be funny when you told me jokes
layin around you & me both when I
Try to remember my favorite one
all I get's a vision of the gun - imagine.

Oh Ma there's a hole in my head
Used the bullets that come with the gun you gave me

Yes its true, I love you - how does it feel without me?

I don't know what you're gonna do,
I don't know where you're gonna go
I don't know who you want to see,
I don't know who you want to be
I don't know why I want to know,
I don't know why you didn't show
I don't know why I didn't see,
I don't know why I didn't leave
