

The Beta Band, Space Beatle

Just like yesterday
I'll never feel this way again
Just like yesterday
If I never see this face again

If I lose now Will you find me
On the
And I'm brain dead, I keep smiling
It's the action, Oh I'm hiding

Just like yesterday
I'll never feel this way again
Just like yesterday
If I never see this face agin

I love you to pieces

It's my last speach, I'm just dreaming
What I'm saying has no meaning
So check closely cause I'm reaching
The smugglers boay is beaching

Just like yesterday
I'll never feel this way again
Just like yesterday
If I never see this face agin

I love you to pieces
