

The Big Deal, Sensational

Since you've known yourself
you didn't feel that well
to these rules imposed by them
They said that you were wrong
With nothing left to say
you turned your back and went away...

Undecided, divided, but you'll be doing well...

You're sensational
You're unbreakable
You're gonna shine bright one day
You're sensational
You're unbreakable
The shiny star will light your way

At one point in time everything will be seen,
who's to lose and who's to win.
Though life is not a race and this is pretty clear,
you win when you catch your dream
