

# The Big Wu, Kangaroo

kangaroo, i'm betting on the offchance, on the offtrack  
you left the outback  
my kangaroo  
kangaroo, jack rabbit in the bushwhack  
decided to give you your bounce back  
my kangaroo

kangaroo, it ain't so hard for you  
to bounce in my back yard  
you can sail the ocean blue  
my kangaroo

kangaroo, you mean more to me  
than just another wannabe wallaby  
my kangaroo  
kangaroo, i read it in books  
they say your country was settled by crooks  
but it's okay my kangaroo

kangaroo, it ain't so hard for you  
to bounce in my back yard  
we can sail the ocean blue my kangaroo (2x)

kangaroo, please don't cry  
you won't even miss the air supply  
you can sail the ocean blue my kangaroo  
my kangaroo
