

# the bird and the bee, I'm A Broken Heart

Cry, as much I want to  
Weep, I know I can't have you  
I wipe my tears away, away

I try, I try, I try

Wish, wish for the summer  
Want, to pull over under  
I wipe my tears away, away

I try, I try, I try  
I try, I try, I try  
I try to make the best of happiness

I'm a broken heart  
I'm a broken heart  
I'm a broken heart  
My love is bleeding  
I'm a broken heart  
I'm a broken heart  
I'm a broken heart  
An empty feeling

I try, I try, I try  
I try, I try, I try  
I try to make do with more more of less

All, all of our moments  
Just become ailments  
I'm haunted all of every day

I try, I try, I try

Ache, aching and teething  
My big love is bleeding  
I think I might be dying

I try, I try, I try  
I try, I try, I try  
I try to make the best of happiness

I'm a broken heart  
I'm a broken heart  
I'm a broken heart  
My love is bleeding  
I'm a broken heart  
I'm a broken heart  
I'm a broken heart  
An empty feeling

I try, I try, I try  
I try, I try, I try  
I try, I try, I try  
I try, I try, I try

I'm a broken heart  
I'm a broken heart  
I'm a broken heart  
My love is bleeding  
I'm a broken heart  
I'm a broken heart  
I'm a broken heart  
An empty feeling

I try, I try, I try  
I try, I try, I try  
I try, I try, I try
