

The Black Crowes, Go Tell The Congregation

Here I am
There I was
Here I go
Just follow me

If it was
Then it can
And we know
How it will be

When it was
Just because
Yes you know
It's not a dream

It's just all
C'mon y'all
I'll tell you
What I mean

When you want to lose your blues
Go tell the congregation
When there's nothing left that you can do
Go tell the congregation
When you want to tell the truth
Go tell the congregation
When the devil's got a hold of you
Go tell the congregation

Don't look back
Stay on track
It's a fact
A lesson to me

Keep in stride
With your pride
Now you know
How strong you can be

There's no time
Draw a line
Yes I know
That you can know me

Look alive
No surprise
Everybody wants to be free

"Everything is everything";
