

# The Black Crowes, Good Friday

We've been avoiding this for so long  
Luxury is temporary than it's gone  
I thought that we would happen  
I guess I'm wrong  
We'll say hi on the street  
Then we'll move along  
I know this will be awkward  
But not for long  
'Cause soon you'll have a new boy  
To sing you songs

I will not forgive you  
Nor will I accept the blame  
I will see you on Good Friday  
On Good Friday

I'm sorry I couldn't do this yesterday  
And tomorrow I am busy  
And what it is I can't say  
And Saturday's no good  
I got a show  
So it's got to be Good Friday  
Then it's so long

I will not forgive you  
Nor will I accept the blame  
I will see you on Good Friday  
On Good Friday

You  
You come and go when you please  
I know unfulfilled heads  
I know you do too  
But I  
You know I never see things through  
Never paid attention to you  
But honey I tried

I will not forgive you  
Nor will I accept the blame  
I will see you on Good Friday  
On Good Friday
