The Black Crowes, Kickin' My Heart Around

Just come out and say it Spit the words out of your mouth It needs no explaining cuz we both felt it go south

Just stop kickin my heart around For the last time Stop kickin my heart around

Well I told you so Not its time to go Got to get this show on the road Just stop kickin my heart around

In the beginning There was no wrong you could do Now in this ending I cant stand looking at you
