

# The Black Eyed Peas, Where is the love

What's wrong with the world mama?  
people livin like they ain't got no mamas.  
i think the whole world's addicted to the drama,  
only attracted to things that'll bring the trauma.  
overseas, yeah, we trying to stop terrorism,  
but we still got terrorists hear livin  
in the USA, the big CIA the blood through the cripts of the KKK.  
but if you only have love for your own race,  
then you only leave space to dicriminate,  
and to discriminate only generates hate,  
and when you hate then you're bound to get irate.  
madness is what you demonstrate,  
and that's exactly how anger works and operates.  
man, ya gotta have love to set it strait.  
take control of your mind and meditate.  
let your soul gravitate to the love ya'll  
{chorus-justin}  
people killin, people dyin,  
children hurtin, you hear them cryin.  
can you practice what you preach,  
and would you turn the other cheek?  
father, father, father help us  
send some guidance from above.  
these people got me, got me questionin,  
where is the love?  
(where is the love,  
where is the,  
where is the love,  
the love, the love)  
it just ain't the same.  
all ways have changed.  
new days are strange.  
is the world still the same?  
if love and peace are so strong,  
why are there pieces of love that don't belong?  
nations dropping bombs.  
chemical gases fillin lungs of little ones,  
with ongoing suffering as the youth die young.  
so ask yourself, is the lovin really caused  
so i can ask myself, really what is goin on  
in this world that we livin in  
people keep on givin in  
makin wrong decisions,  
only visions of a different end  
not respectin each other  
i and my brother  
a war's goin on but the reason's undercover  
the truth is kept secret  
and swept under the rug  
if you never know truth then you never know love  
where's the love ya'll? (i dunno know)  
where's the truth ya'll? (i dunno know)  
{chorus}  
i feel the weight of the world on my shoulder  
as i'm gettin older ya'll people gets colder  
most of us only care about money-makin  
selfishness got us followin the wrong direction  
wrong information always shown by the media  
negative images is the main criteria  
infecting the young minds faster than bacteria  
kids wanna act like what they see in the cinema  
what ever happened to the values of humanity?  
what ever happend to the fairness and equality?  
instead of spreading love we spreading animosity

like us understanding leading us away from unity  
that's the reason why sometimes i'm feelin under  
that's the reason why sometimes i'm feelin down  
there's no wonder why some times i'm feelin under  
gotta keep my faith alive till love is found  
{chorus}
