

The Black Halos, For You

Some things are hard to explain
And even harder to say
So I tried to put my feelings into words
It was the stupidest thing I've ever heard

(Chorus:)

'Cause I don't got no love songs
No I don't got no love songs
No I don't got no love songs
For you

I don't need to tell you how I feel
For you to know my heart's for real
So there's nothing right now I'd rather do
Than shut my big mouth just for you

(Chorus:)

'Cause I don't got no love songs
No I don't got no love songs
No I don't got no love songs
For you

Girl, I stayed up all night long
But everything just came out wrong
I know one and one makes two
But I don't got no love songs for you
Shove off!

(Chorus:)

'Cause I don't got no love songs
No I don't got no love songs
No I don't got no love songs
For you

'Cause I don't got no love songs
No stupid nazi love songs
No I don't got no love songs
For you!
For you!
For you!
For you!
