

The Black Halos, Homeless For Christmas

well outside it's snowing and they're walking hand in hand
while i'm freezing my bell's off in a winter wonderland
well i would really love to be underneath
your christmas tree

'cause i don't wanna be homeless for christmas no no no

well i bet your turkey stuffed and drinking fancy wine
while i'm trying to sneak my way
into the salvation army line
well i would really love to eat with your friends and family

'cause i don't wanna be homeless for christmas

ohhh i would really love to be
kissing you on christmas eve

'cause i don't wanna be
no i don't wanna be
no i don't wanna be
homeless for christmas
