

# The Black Keys, Beautiful People (Stay High)

All of those beautiful people say, "Hey"  
All of those beautiful people stay high  
All of those beautiful people say, "Yeah"  
I'm tellin' you why

Time I've been gone  
I've been strugglin' alone  
Keepin' all of my demons to myself  
I'm savin' my grace  
For that heavenly place  
To the sun, I will sing you my song

Na, na na, na na  
Na, na na, na na, never comin' back down  
Na, na na, na na  
Na, na na, na na, never comin' back down

All of those beautiful people say, "Hey"  
All of those beautiful people stay high  
All of those beautiful people say, "Yeah"  
I'm tellin' you why

Hard as it's been to begin once again  
Just a friend on the wind seekin' shelter  
There's a crack in the sky and a light from on high  
I get higher and higher when I'm with her

Na, na na, na na  
Na, na na, na na, never comin' back down

All of those beautiful people say, "Hey"  
All of those beautiful people stay high  
All of those beautiful people say, "Yeah"  
I'm tellin' you why  
All of those beautiful people say, "Hey"  
(Na, na na, na na)  
All of those beautiful people stay high  
All of those beautiful people say, "Yeah"  
(Na, na na, na na, never comin' back down)  
I'm tellin' you why

Na, na na, na na, never comin' back down

All of those beautiful people say, "Hey"  
(Na, na na, na na)  
All of those beautiful people stay high  
All of those beautiful people say, "Yeah"  
(Na, na na, na na, never comin' back down)  
I'm tellin' you why  
All of those beautiful people say, "Hey"  
(Na, na na, na na)  
All of those beautiful people stay high  
All of those beautiful people say, "Yeah"  
(Na, na na, na na, never comin' back down)  
I'm tellin' you why
