

The Black Keys, Everywhere I Go

And everywhere I go,
They've got a thing goin' on,
And everywhere I go,
They've got a thing goin' on,

My little baby,
Now let me tell you what I want baby,
My little baby,
Now let me tell you what I want baby,

And everywhere I go,
They've got a thing goin' on,
And everywhere I go,
They've got a thing goin' on.
