

# The Black Keys, Them Eyes

Hey, can you see me cryin',  
Hey, don't you see me dyin',  
When I look into them eyes?

I know that I...did you wrong,  
The pain, it lasted so long,  
If you don't bring me back this time,  
I swear I'm gonna lose my mind,

Hey, can you see me runnin',  
Hey, don't you know I'm comin',  
When I think about them eyes?
