

The Black Keys, Yearnin'

Said I want you,
Here with me,
Darlin', I need you,
Can you see,
I've got the yearnin',
We've all day,
I want your love,
Your special way,
I love, I love your smile,
Ahh, darlin', don't you drive me wild,

I heard you,
Call my name,
And I was callin',
Just the same,
And I want you,
By my side,
I'm yearnin',
I can't deny,
You've got a hold, a hold on me,
Ahh, darlin', don't you let me be,

And I want you,
Here with me,
Darlin', I need you,
Can you see,
I've got the yearnin',
We've all day,
I want your love,
Your special way,
I love, I love your smile,
Ahh, darlin', don't you drive me wild,

Ahh-ahh, baby, what I would do,
For one minute alone with you,
Yeah, you've got me tremblin' way down inside,
And your love I just can't hide,
Darlin', I need you, woo-oo-h-oo-h,
Darlin', I need you.
