

The Black Seeds, So True

INTRO:

Oh yeah
Oh yeah-eh-eh

VERSE 1:

The sweetest stuff, you give to me
It makes me feel fine
Every little word that you say to me
Keeps my heart on time
Red blood flowin' like a rough rapid
When you are near by
Ain't no doubt 'cos it's plain to see
You set my soul on fire

CHORUS:

Something so true
Is what I get from you
An' I hope that you'll see
You get the best of me
(2 TIMES)
Oo wee

VERSE 2:

Most generous love, you spread around
To the people in your life
Sharing the weight and the pressure
Just to make it right
I hope one day that you get it back
If that karma stuff is true
Here's a little song just to make a start
Called something so true

CHORUS...

SOLO...

CHORUS...

Oh yeah...

OUTRO:

It's so, so true (4 TIMES)
