

The Blackout!, You And Your Friends

take your lies and walk through the door,
run for, run for your life, and take all that you can. X2
i die, you cry, we lie everytime.
take your lies and walk through the door,
run for, run for your life, and take all that you can. X2
im not over you, just yet x6
run away so we can let you go,
run away so we dont have to know.
(dont run away)
RUN! AWAY! NOW!
