

# The Blow Monkeys, It Doesn't Have To Be This Way

It doesn't have to be this way  
Just counting the hours  
'Cause when your bed it's made  
Then baby it's too late

There's no hope for a hungry child  
Whose joker is wild  
They take all hope away  
By the end of the day

Well I just about had enough of the sunshine  
Hey!  
What did I hear you say?  
You know  
It doesn't have to be that way!  
You!  
When you walk out the door  
You're gonna ask for more

It doesn't have to hurt that way  
Just counting the pain  
You've only got yourself to blame  
For playing the game

There's no hope for a hungry child  
(No wonder!)  
Whose joker is wild  
And they take all hope away  
And I just can't see the sense  
And my mind's a haze

Well I just about had enough of the sunshine  
Hey!  
What did I hear you say?  
You know  
It doesn't have to be that way!  
You!  
When you walk out the door  
You're gonna ask for more  
From society  
Take a tip from me now  
Yeah

Do you want it?  
Do you want it?  
Don't you know that baby?  
Don't you know I've got it, baby?

And I just about had enough of the sunshine  
Hey!  
What did I hear you say?  
You know  
It doesn't have to be that way!  
You!  
When you walk out the door  
Ooh, you'd better ask for more

Hey!  
What did I hear you say?  
You know  
It doesn't have to be that way  
You!  
When you walk out the door  
You're gonna ask for more

You're gonna ask for more

I said hey

Hey!

What did I hear you say?

You know

It doesn't have to be that way

You!

When you walk out the door baby

You're gonna ask for more

You're gonna ask for more

For more
