

# The Bluetones, Cut Some Rug

Seems like you're always a million miles away  
As far as I'm concerned that's where you can stay  
But all the time I'm reminded

Used to be a time we had a lot in common  
But now as far as I can see, you've got something coming  
And all the time you're behind me

And all the time you remind me  
Of blitzkrieg and the doodlebug  
Salt upon a bubbling slug  
You say I can talk to you anytime  
But I just wanna cut some rug  
Turn yourself away and shrug and say that I can talk anytime

It's easy living in a bubble  
No complication or trouble  
But it's hard to have responsibility  
And judging by you a personality

And all the time you remind me  
Of blitzkrieg and the doodlebug  
Salt upon a bubbling slug  
You say I can talk to you anytime  
But I just wanna cut some rug  
Turn yourself away and shrug and say that I can talk anytime (x3)
