

The Bones, Hey baby

My baby the look of peggy sue
hey honey got seduced by you
that baby put her claws into my heart
my baby a chill runs down my spine
hey sugar by your infamous smile
my baby jolly favourite waste of time
i never ever wanted you to stay
i never wanted you to go away
never ever wanted you this way
i never ever wanted you to stay
i never wanted you to go away
never ever wanted you this way
hey baby my one and only love
yeah baby too much ain't enough
hey honey i guess i shouldn't play so rough
my baby was such a doll
yeah sugar and i was outta control
my baby plastic porno blow-up soul
i never ever wanted you to stay
i never wanted you to go away
never ever wanted you this way
i never ever wanted you to stay
i never wanted you to go away
never ever wanted you this way
well i just like make believe
to see you rights been slow machine
spanish up for my girl these is it charge
takes me away
hey baby well the party is on
hey honey be-bop-a-lula fun
yeah baby rubber romance all night long
i never ever wanted you to stay
i never wanted you to go away
never ever wanted you this way yeah yeah
i never ever wanted you to stay
i never wanted you to go away
never ever wanted you this way
i never ever wanted you to stay
i never wanted you to go away
never ever wanted you
this way this way this way
