

The Boomtown Rats, Charmed Lives

Charmed lives
Nothing much to do tonight
Charmed lives
Oh no, oh no
Charmed lives
I think I'll do my hair tonight
Charmed lives
Cos it's so, it's so

Well, it's OK, it's OK, it's OK
But it drives me insane
Can't do a thing with it
Look at it
This way and that
Pile it up?
Spray it on?
Grease it straight back?

Charmed lives
Nothing much to do today
Oh no, oh no
Think I'll see some friends today
Cos they're so...they're so...
Yeah they're OK, they're OK, they're OK
And we all think the same
Cos we're on the phone
Hear the news
It's all grief and gloom
Yes things are bad
Really bad
But we're clearly immune
We lead
Charmed lives

*written by Bob Geldof
