

# The Boomtown Rats, So Strange

I was bleeding before I saw the blood  
I was screaming but I soon woke up  
on that night on that night with you  
I realized it was gonna be me or you

Ooh and it made me feel strange  
so strange, strange

So I knelt down and said my prayers that night  
the fog was closing in on what remained of the light  
on that night on that night with you  
I heard the wild dogs howling in the distant moon

Ooh and it made me feel strange  
so strange, strange  
oh yeah..

You told me you had arranged  
for something special and strange  
but suddenly I saw your eyes  
and realized that you were quite insane

And when the dawn came I listened hard for your breath  
you once told me the bottom line in life is death  
on that night on that night with you  
I realized it was gonna be me or you

And it made me feel strange  
so strange, strange
