

The Bouncing Souls, You're So Rad

You're so rad than my dad
if you were a fabric you'd be plaid
Everybody knows plaid is so rad
I think about you and I go mad

You're so rad you really spark
my nads some say you're good
but I know you're bad
if you go i'll be sad
stop the presses run an ad
if there were three
og you you'd be a rad triad
You're so rad
