

# The Bravery, An Honest Mistake

People, they don't mean a thing to you  
They move right through you, just like your breath  
But sometimes I still think of you  
And I just wanted you to know  
My old friends

I swear I never meant for this  
I never meant

Don't look at me that way  
It was an honest mistake  
Don't look at me that way  
It was an honest mistake  
An honest mistake

Sometimes I forget I'm still awake  
I fuck up and say these things out loud  
My old friends

I swear I never meant for this  
I never meant

Don't look at me that way  
It was an honest mistake  
Don't look at me that way  
It was an honest mistake  
An honest

Don't look at me that way  
It was an honest mistake  
Don't look at me that way  
It was an honest mistake  
An honest mistake
