

The Braxtons, So Many Ways

You don't know just what I'd do for you
Love you tender, love you oh so good
I can't wait to get to it babe
I wanna do it baby...
Show you what I'm all about, yeah

Verse 1:

I turn on some music
And dim the lights
Say everything you like to hear
And do what you like
Do all the things
You don't expect me to do
You can see how many ways
I can love you
Let me count the ways

Hook:

So many ways I can love you...Oooh
(So many ways)
So many ways I can blow your mind
(I can blow your mind)
So many ways I can love you
(I can love you right)
So many ways
Show you a real time
Count the ways

I need somebody
I'll take to any extreme
To show you just what I mean
I doubt if you have ever been
With someone like me
'Cause all I want to do is make you happy
