The Browns, Blues Stay Away From Me

Blues stay away from me blues why don't you let me be
Don't know why you keep on haunting me
Life is full of misery true love was never meant to be
Time goes by and still I can't be free
(guitar)
Tears so many I can't see years don't mean a thing to me
Seems somehow we never can agree
Blues stay away from me blues why don't you let me be
Don't know why you keep on haunting me
