

The Browns, Where Did The Sunshine Go

Where did the sunshine go why is it raining so
Where is the love I used to know where did the sunshine go
Where did the sunshine go why do the cold winds blow
Where is the love I needed so where did the sunshine go

I discovered the sunshine in a woman's loving smile
Like a fool I thought the sun had come to stay
Then she fell for another and the sun went out of sight
And the springtime vanished when she went away
Where did the sunshine go...
