

# The Business, Hate Kill Destroy

I don't wanna talk about Love peace and flowers  
I don't wanna take your drugs just to while away the hours  
I got no bread on the table  
I got no job that's f\*\*king stable  
You don't like the way I look  
You only like to stare

HATE KILL DESTROY  
HATE KILL DESTROY

John Lennon's hippy shit - Love, peace & fun  
The only peace he got was from the barrel of a gun  
The sounds of the 60's - sounds so shit to me  
Punk rock's the king, you stupid little hippy
