

# The Buzzcocks, I Don't Know What It Is

I don't know what it is but  
It makes me feel I'm crazy  
I don't know what it is but  
It makes reality hazy  
I don't know what it is but  
I got the feeling that it might be love

I don't know what it is but  
It's a feelin' that moves me  
I don't know what it is but  
It sends a shiver running through me  
I don't know what it is but  
I got the feeling that it might be love  
It might be love

I don't know what it is but  
It makes my heart beat faster  
I don't know what it is but

It has become my master  
I don't know what it is but  
It has a taken control  
I don't know what it is but  
It's taken my very heart and soul

I don't know what it is but  
It's this feelin' that moves me  
I don't know what it is but  
It sends these shivers running through me  
I don't know what it is but  
I got the feeling that it might be love  
I don't know what it is but  
I got the feeling that it might be love  
I don't know what it is but  
I got the feeling that it might be love  
I don't know what it is but  
I got the feeling that it might be love
