

# The Buzzcocks, Last To Know

Will I be the last to know  
I've got this little question for ya  
Will I be the last to know  
Or is this just my paranoia  
Will I be the last to know

I came into your room while you were sleeping  
And tip-toed to the bottom of your bed  
I held my breath so I could hear you breathing  
Love's such a sweet thing

Will I be the last to know  
I've got this little question for ya  
Will I be the last to know  
Or is this just my paranoia  
Will I be the last to know

I want to give myself to you completely  
I love you more than truth could ever tell  
Please promise not to mistreat me or beat me  
Just treat me sweetly

Will I be the last to know  
I've got this little question for ya  
Will I be the last to know  
Or is this just my paranoia

What will I discover  
Will you turn on me and say  
You didn't mean to be unkind  
You haven't changed your mind  
You've never loved me anyway

[Solo]

I want to give myself to you completely  
I love you more than truth could ever tell  
Please promise not to mistreat me or beat me  
Just treat me sweetly

Will I be the last to know  
I've got this little question for ya  
Will I be the last to know  
Or is this just my paranoia

What will I discover  
Will you turn on me and say  
You haven't changed your mind  
You've never loved me anyway

Will I be the last to know  
Will I be the last to know  
Will I be the last to know
