

# The Buzzcocks, Lipstick

When you kiss me  
Does the lipstick on your lip stick on my face  
Will you miss me  
In your dreams does your lover have my face

Ah when you kiss me  
Does the lipstick on your lip stick on my face  
Ah will you miss me  
In your dreams does your lover have my face

It's the morning  
And the mourning it is dawning on me too  
I'd no warning  
Just a condolence card to tell me that we're through

Ah it's the morning  
And the mourning it is dawning on me too  
I had no warning  
Just a condolence card to tell me that we're through

Will you kiss me  
Does the lipstick on your lip stick on my face  
When you miss me  
In your dreams does my lover have your face

Ah when you kiss me  
Does the lipstick on your lip stick on my face  
Ah will you miss me  
In your dreams does your lover have my face
